

Picnics

Budmarsh offers you the opportunity to relax, unwind and be treated to a charming picnic on the Budmarsh lawns. And it will be perfectly understood if after indulging in the delights of the picnic basket that you simply close your eyes and fall asleep.

While relaxing you may want to see if you can spot the Golden Oriole whose distinctive call is often the only clue that this beautiful but elusive bird is in the trees. Other birds, including the resident fish eagle and many kingfishers are often spotted.

A basket serves two guests and is R125 per person. The price does not include beverages.

Because the baskets are prepared especially for you, booking is essential. Please place your order 24 hours in advance.
